

## Message from the General Manager COVID-19 Update | June 19, 2020

NAS Team,

Friday, June 19, Phase 2 of AEDC Return to Full Capacity (RtFC) operations are continuing.

### KEY UPDATES

- **We are still coordinating final approval with the AF on implementation of the CARES Act Section 3610; a more detailed update will be provided early next week.**
- **Employees returning to work should read and review the NAS COVID-19 Return to Work materials and have it documented by their supervisor.**
- NAS Team members are strongly encouraged to comply with prevailing social distancing guidelines when away from work.
- On June 16, a NAS employee in Base Operations tested positive for COVID-19. Contact tracing has been completed, and impacted employees are self-quarantined. The employee is quarantined at home. The employee's work area was deep cleaned June 17.
- With the beginning of RtFC Phase 2, the remainder of the NAS workforce at Arnold has been approved to return.
- NFAC on-site staff preparations are under way in preparation for the return of NFAC Team members unable to telework. NFAC expects to phase in to full staffing over the next 2-3 weeks.

### GENERAL UPDATE

#### Phase 2 RtFC Operations

- The AEDC Commander's top priority during RtFC Phase 1 remains protecting the health of the workforce.

#### NAS Status

- Arnold AFB is in HPCON Charlie; Tier 2 operations began April 6; RtFC Phase 1 operations began June 1; RtFC Phase 2 began June 15.
- Tunnel 9 is in HPCON Charlie; Tier 2 operations resumed April 27; RtFC Phase 1 operations began June 1; RtFC Phase 2 has not begun.
- On June 8, NASA Ames announced transition to Stage 3 of the NASA Response Framework; NFAC Week Zero operations began June 15; NFAC will ramp up operations the week of June 22.
- Business travel is restricted.

100% screening is being conducted at Arnold AFB. Employees are expected to:

- Comply with social distancing rules (six feet).
- Limit in-person meeting attendees to no more than 10.
- Avoid in-person interactions by conducting engagements by phone, instant messenger, virtual meetings, etc.

**NOTE: NAS employees are required to wear N-95 masks or greater protection when social distancing rules cannot be maintained for work that requires extended interactions.**

## Message from the General Manager COVID-19 Update | June 19, 2020

### COVID-19 Information

Notify your supervisor if you have been tested for COVID-19 and are awaiting results.

Notify your supervisor if you or an immediate family member have:

- A confirmed COVID-19 case.
- Been quarantined.
- Been placed under medical observation.

Frequently Asked Questions (FAQs) are available on the NAS internal website at <https://team.nas-llc.us/Pages/Coronavirus-Info.aspx>.

Continue to utilize appropriate personal hygiene practices.

Call your primary care provider first, and the provider will conduct triage over the phone. If you meet the criteria, you will be tested.

### All NAS Teammates Are Returning During RtFC Phase 2--Stay Focused

- With all our employees returning, many from extended time away, **remain focused on working carefully**. Stop work immediately if you have any safety concerns. Elevate concerns to NAS leadership.
- It is in the interest of AEDC and the NAS workforce that everyone adhere to prevention recommendations to minimize the possibility of COVID-19 transmission.

### Managers and Supervisors

- Please ensure this information is shared with your teams.

### Craft Supervisors

- Please read this email to your team members.
