## Message from the General Manager COVID-19 Update | September 30, 2020

### GENERAL INFORMATION

#### Phase 2 RtFC Operations

- The AEDC Commander's top priority during RtFC Phase 2 remains protecting the health of the workforce.

#### NAS Status

- Arnold AFB is in HPCON Charlie; Tier 2 operations began April 6; RtFC Phase 1 operations began June 1; RtFC Phase 2 began June 15.
- Tunnel 9 is in HPCON Charlie; Tier 2 operations resumed April 27; RtFC Phase 1 operations began June 1; RtFC Phase 2 began July 1.
- NFAC is in HPCON Charlie and NASA Stage 4; Week Zero operations were completed June 19; Week 1 operations began June 22; NFAC has been at full staffing since July 6; situational teleworking is continuing based on availability of productive work.
- Domestic business travel is permitted with Director approval in writing; international travel must be followed by 14 days of quarantine upon return to the United States.

**NOTE: NAS employees are required to wear N-95 masks or greater protection when social distancing rules cannot be maintained for work that requires extended interactions.**

### COVID-19 INFORMATION

**Notify your supervisor** if you have been tested for COVID-19 and are awaiting results or if you or an immediate family member have:

- A confirmed COVID-19 case; been quarantined; or been placed under medical observation

**Preventive measures include** six feet spacing and especially wearing cloth face coverings around others; when we follow prevention procedures and protocols, we are

- Protecting the health of ourselves and our co-worker.
- Ensuring the AEDC mission can continue without interruption.
- Securing our ability to continue to work.

Employees are reminded to follow "Stand Up – Mask Up" protection for personal safety and the health of our colleagues

Business Travel (to include work-related medical appointments) within the State of Tennessee can be approved at the Branch Manager level.

Frequently Asked Questions (FAQs) are available on the NAS internal website at <https://team.nas-llc.us/Pages/Coronavirus-Info.aspx>.

Call your primary care provider first, and the provider will conduct triage over the phone. If you meet the criteria, you will be tested.

### SAFETY MESSAGE

- **Smoking areas, breakrooms, breaks, and company social gatherings for work anniversaries, birthdays, retirements, etc.**, require us all to remain mindful of COVID-19 prevention strategies and risk mitigations.
- Mask Fatigue is a Safety Concern; be diligent in the wearing of face coverings and stay aware of changing work conditions which might require increasing the level of protection to N95 masks due to inability to maintain adequate co-worker separation.
- If you have any safety concerns, elevate them to NAS leadership immediately.
